

# NOTICE

The Nominating Committee of the Northwoods Community Credit Union is actively seeking members who are willing to volunteer their time now or in the future as members of committees or the Board of Directors for the Credit Union.

It is our hope to compile a list of member names for future volunteer work. Any member who wishes to have their name placed on the ballot for the election year 2021 must submit their name for candidacy by November 30, 2020. They will be contacted for an interview by NCCU's Nominating Committee. Others will be contacted as soon as possible to answer any questions that they may have concerning their volunteer service.

If interested, contact an employee at the Ashland office, or the receptionist at the Park Falls office for more detailed information.
